ALLIANZ LIFE AS CUSTODIAN

Allianz Life does not have a separate custodian for the assets owned through the Separate Account. Most mutual fund shares are not in certificated form, and as such, Allianz Life in effect acts as self custodian for the non-certificated shares we own through the Separate Account.

LEGAL OPINIONS

Erik T. Nelson, Associate General Counsel, Senior Counsel of Allianz Life, has provided legal advice on certain matters in connection with the issuance of the Contracts.

DISTRIBUTOR

The Contracts, which are offered continuously, are distributed by Allianz Life Financial Services, LLC (ALFS), a wholly owned subsidiary of Allianz Life Insurance Company of North America, acts as the distributor of the contracts.

ALFS sells annuity contracts issued by Allianz Life primarily through “wholesaling,” in which ALFS sells contracts through a large group of mostly non-affiliated broker/dealer firms. Currently, ALFS has agreements with approximately 595 retail broker/dealers to sell its contracts.

The contracts offered by this Registration Statement are designed specifically to be marketed by investment advisory firms and their advisory representatives. These firms may also be registered as broker-dealers.

As described in the prospectus, ALFS may pay marketing support payments to certain third-party firms for marketing our contracts. Currently, ALFS makes marketing support payments to approximately 64 broker-dealer firms. These payments vary in amount. In 2022, the five firms receiving the largest payments, ranging from \$960,314.28 to \$12,002,640.70 are listed below.

ANNUITY PAYMENTS

We base Annuity Payments on the greater of Contract Value or Cash Value. We guarantee the dollar amount of Annuity Payments (equal installments) and this amount does not change except as provided under Annuity Option G, or if your Income Payments under the Increasing Income payment option are converted to Annuity Payments. The Contract Value or Cash Value you apply to Annuity Payments is placed in our general account. Annuity Payments are based on an interest rate and mortality table specified in your Contract. These rates are guaranteed and we cannot use lower rates.

Annuity Payments end upon the earliest of the following.

- Under Annuity Option A, the end of the guaranteed period.
- Under Annuity Options B, F, and G, the death of the last surviving Annuitant.
- Under Annuity Option C, the death of the Annuitant and the end of the guaranteed period.
- When the Contract ends.

ANNUITY PAYMENT OPTIONS

The Annuity Payment Options are briefly described in prospectus section 8 – The Annuity Phase, and we included additional information that you may find helpful here.

Option A. Guaranteed Period. We make Annuity Payments for a guaranteed period of ten years. If the Annuitant dies before the end of the guaranteed period, then we continue to make Annuity Payments to the Payee for the rest of the guaranteed period. If the Payee and Annuitant were the same person, we make payments to the Owner. If the Payee, Annuitant and Owner were the same person, we make payments to the Beneficiary(s).

Option B. Life Annuity. We make Annuity Payments during the life of the Annuitant, and the last payment is the one that is due before the Annuitant’s death. If the Annuitant dies shortly after the Annuity Date, the Payee may receive less than your investment in the Contract. If we convert your single Income Payments to Annuity Payments under this option, on the Annuity Date we will establish a “remaining value” equal to your Contract Value. Each Annuity Payment will reduce the remaining value by the dollar amount paid. Upon the death of the Annuitant, we will pay any remaining value to the named Beneficiary(s).

Option C - Life with Guaranteed Period of either 5 or 10 Years. We make Annuity Payments during the life of the Annuitant. If the Annuitant dies before the end of the selected guaranteed period, we continue to make Annuity Payments to the Payee for the rest of the guaranteed period. If the Payee and Annuitant were the same person, we make payments to the Owner. If the Payee, Annuitant and Owner were the same person, we make payments to the Beneficiary(s). If the Annuitant dies after the selected guaranteed period ends, the last payment is the one that is due before the Annuitant’s death.

Option F - Joint and Survivor. We make Annuity Payments during the lifetimes of the Annuitant and the joint Annuitant. Upon the death of one Annuitant, Annuity Payments to the Payee continue during the lifetime of the surviving joint Annuitant. Annuity Payments stop with the last payment that is due before the last surviving joint Annuitant’s death. If both Annuitants die shortly after the Annuity Date, the Payee may receive less than your investment in the Contract. If we convert your joint Income Payments to Annuity Payments under this option, on the Annuity Date we will establish a “remaining value” equal to your Contract Value. Each Annuity Payment will reduce the remaining value by the dollar amount paid. Upon the death of the last surviving Annuitant, we will pay any remaining value to the named Beneficiary(s).

Option G - Joint and 2/3 Survivor Annuity. We make Annuity Payments during the lifetimes of the Annuitant and the joint Annuitant. Upon the death of one Annuitant, Annuity Payments to the Payee continue during the lifetime of the surviving joint Annuitant at 2/3 of the original amount. Annuity Payments stop with the last payment that is due before the last surviving joint Annuitant’s death. If both Annuitants die shortly after the Annuity Date, the Payee may receive less than your investment in the Contract.
