

Online capabilities for life insurance policyholders

Thank you for your interest in purchasing a life insurance policy from Allianz. To make the final steps of the purchasing process easier, we offer e-signature, which allows you to review and sign your policy documents online as well as the ability to set up EFT online for premium payments. Just follow these simple steps.

These capabilities are available to individual owners who are also the insured (e-signature) and payor (online EFT) on their life policy.

1 Create an online account.

- Go to allianzlife.com.
- Select the **Register** button.
- Complete the quick two-step registration process to create your Allianz online account.

Product and feature availability may vary by state and broker/dealer.

This content does not apply in the state of New York.

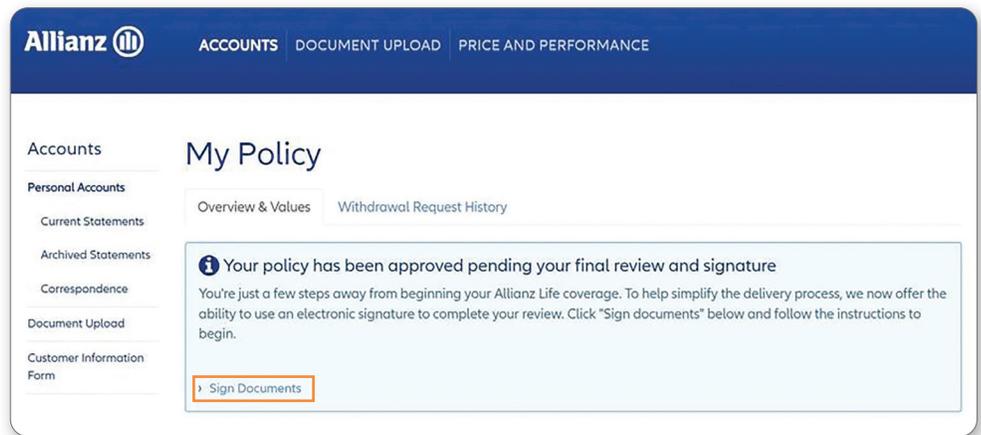

Guarantees are backed by the financial strength and claims-paying ability of Allianz Life Insurance Company of North America (Allianz).

2 Log in with your user ID and password.

- You will be directed to the **My Policy** page.
- Click on **Sign Documents**.

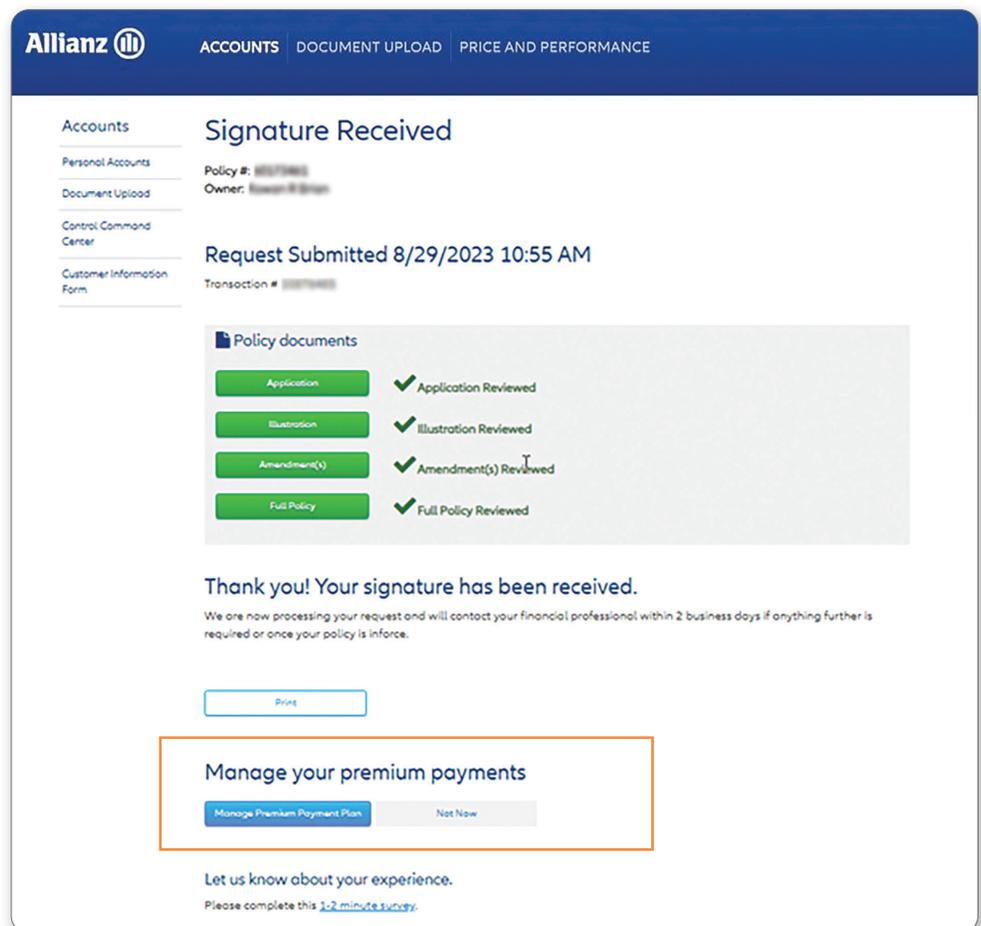

3 Review each document and answer the **Statement of Good Health** questions.

4 Click **agree** and submit your electronic signature to complete the online submission.

5 Next add your EFT information and set up your premium payment plan via **Manage your premium payments**.

- **For inforce policies:** You also have the ability to change or add your payment information after your policy is in force through the Manage Premium Payment Plan button found at the top of the My Policy page.

6 Select the frequency and day, and enter in your financial account information that will be used to pay the premium.

- **For pending business:** Your frequency and amount will auto-populate based on your agreement during the e-signature process. You cannot change the amount, but you can update the frequency, and the amount will auto-calculate based on the new frequency. Additional information may populate if you have already sent in the physical EFT form.
- **For inforce business:** Your frequency and amount will auto-populate. If a billing process already exists, additional details may populate as well. You are able to update all fields.

The screenshot shows the Allianz 'Premium Payment Plan' form. At the top, there are navigation links for 'ACCOUNTS', 'DOCUMENT UPLOAD', and 'PRICE AND PERFORMANCE'. The main heading is 'Premium Payment Plan' with a sub-heading 'Electronic billing method'. The form is divided into two main sections: 'Frequency & amount' and 'Account Information'. In the 'Frequency & amount' section, there are radio buttons for 'Monthly', 'Quarterly', 'Semi-annual', and 'Annual'. Below these are a 'Day' dropdown menu and an 'Amount' input field. The 'Account Information' section includes radio buttons for 'Checking account' and 'Savings account', followed by four input fields for 'Financial institution name', 'Bank routing number', 'Bank account number', and 'Re-enter bank account number'.

After you complete these simple steps, your financial professional will receive a notification when your policy is finalized. Now that you have set up an online account, you will have access to your policy information online after it is placed in force and will have the ability to complete the following online:

- **Allocation changes**
- **Execute an Index Lock**
- **Update your contact information**
- **Update your beneficiary(ies)**
