¹ The premium bonus and interest bonus are credited only to the Protected Income Value (PIV). To receive the PIV, including the value of these bonuses, lifetime withdrawals must be taken. The PIV is not available as a lump sum. Clients will not receive these bonuses if the contract is fully withdrawn or if traditional annuity payments are taken. If the client takes any type of withdrawal the PIV will be reduced proportionally. Bonus annuities may include higher withdrawal charges, longer withdrawal charge periods, lower rates, or other restrictions that are not included in similar annuities that do not offer a bonus feature.

² With the Accelerated PIV Interest Bonus Option, clients receive a 250% PIV interest bonus and a 50% accumulation value interest factor. Clients can also choose the Balanced PIV Interest Bonus Option to receive a 150% PIV interest bonus with a 100% accumulation value interest factor.

³ Increasing income potential is provided through a built-in rider at no additional cost.

THE PURCHASE OF AN ANNUITY IS AN IMPORTANT FINANCIAL DECISION. YOU SHOULD HAVE A FULL DISCUSSION WITH YOUR FINANCIAL PROFESSIONAL BEFORE MAKING ANY DECISION.
